Private tutorial lessons and groups

Tanya Baily teaches private lessons in all aspects of Watercolour Painting and drawing at her studio in Double Bay, on Fridays and Sundays (subject to availability).

Students may book for individual tuition or arrange groups of up to four people. Those wishing to join an existing group can request inclusion, and acceptance is at the discretion of the existing group members, and Tanya.

Lesson content and planning is discussed with Students prior to the start of lesson programme, so that studio lesson time is maximised.

All manner of ambitions are welcome: HSC skills and project development, beginners who don't know where to start, artists with experience wanting to hone skills, advice on holiday sketching, and those with particular portraits or paintings they want to complete, and more.
